Auditor's Report

STATE OF MAINE
STATE DEPARTMENT OF AUDIT
AUGUSTA

May 7, 1946

Board of Selectmen
Friendship,
Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944 and at your request, the records of the Town of Friendship have been audited by Auditors C. G. Hawes and M. G. Allen for the period February 13, 1945 to February 11, 1946 inclusive.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the town appear to have been appropriately handled.

Exhibits and schedules incorporated in this report impartially present the financial position of the town and the result of its operations for the period designated.

Comments and other data incorporated in this report may prove of interest to you. All of which is respectfully submitted,

Very truly yours,

Fred M. Berry,

FMB:LF

State Auditor.

(Page 6)

COMMENTS

Re: Audit of Accounts — Town of Friendship
February 13, 1945 to February 11, 1946

CASH

As far as could be ascertained, all receipts were recorded and the cash was deposited in the bank.

Expenditures were made by check from properly authorized warrants, supported by invoices and payrolls on file.

The cash balance was reconciled with the bank.

TAXES RECEIVABLE

The 1945 tax commitment was found to be in agreement with the Assessors' records. The balance due from the Collector on this commitment was represented by a list of unpaid taxes taken from the records.

As applied to the current commitment, the cash collection of the 1945 taxes was 97.7%.

TAX LIENS

Payments recorded as received on tax liens appeared to have been applied against the proper items.

NOTES PAYABLE

The notes outstanding against the town were reduced by \$2,000. This amount was paid during the year.

SURPLUS

Reference to Exhibit A indicates that as of the close of the municipal year, there was an Unappropriated Surplus in the amount of \$1,994.78, as compared with a Net Deficit of \$889.94 shown the year previous, which represents a gain of \$2,884.72. This was due largely to a payment of \$1,000 on the outstanding notes by appropriation, an overlay of \$860.03 and net unexpended balances of \$1,158.93 in the appropriation accounts that were lapsed.

TRUST FUNDS

The trust fund investments were examined and all income withdrawn appeared to have been properly expended.

During the year a final dividend on the impounded cash in the Library Fund for General Purposes was received and this fund was reduced in the amount of \$84.00, or the amount of loss on impounded bank accounts.

GENERAL

It was necessary to check all receipts and disbursements in detail before the correct cash balance could be established.

(Page 7)

A test check of paid invoices and payrolls indicated they were proper charges and correctly recorded.

The excise tax collections were verified with the copies of the receipts as follows:

1945	—	Receipts No. 60 to 155 by E. A. Burns	\$259.79
	—	Receipts No. 176 to 223 by H. L. Fales	108.86
1946	—	Receipts No. 1 to 89 by H. L. Fales	226.17
			<hr/>
			\$594.82

The above amount was paid to the Treasurer.

Respectfully Submitted,

Luther S. Wotton,

Town Clerk.

Report of The School Department

To the Superintending School Committee and to the Citizens of Friendship:

This is my twenty-fifth annual report of schools.

At the close of the last school year, the Committee elected a man teacher to succeed Mrs. Gray, who had resigned after two years as teacher of the seventh and eighth grades. The teacher chosen decided to accept employment elsewhere and Miss Frances Crooker of Washington, Maine, was employed.

I believe that the schools of the town are good and efficient and that the methods are sound. From time to time improvements are introduced as equipment and financial means make this possible.

During the past spring there seemed to be a lot of dissatisfaction with the Lawry School. For years it had been apparent that the pupils in this one rural school were not receiving and could not hope to receive advantages at all comparable with those enjoyed by the pupils at the Village School. Moreover there were problems that made the school unsatisfactory to the parents and to the teachers, who have served there in recent years. At a special town meeting it was voted to close the school. At a second special town meeting it was voted to open the school in the fall. At this point the State Department advised the local school officials that the school having been legally closed by the first special town meeting could

not be reopened until the schoolhouse was put into condition acceptable to the State. The required changes would require the expenditure of more than \$2000.00 according to the estimate of the representative of the Department. At a later special town meeting the citizens failed to provide funds for these changes and so the school could not be reopened without danger of forfeiting our State School Funds. The children have been conveyed to the Village School. Had the town supplied the money it would have been impossible to have obtained the materials necessary for the required changes. With the present shortage of teachers it is doubtful if a teacher capable of handling the situation there could have been obtained and kept. The pupils have done much better in the Village School and seem to be contented. The citizens have the power to order this school reopened by their vote at the annual meeting, but the required improvements to the building would be expensive, and the opportunities to the children of the district would be very much inferior to those now enjoyed by them. If the interests of the children are considered it would seem certain that this school will be kept closed.

During the past year school expenses have mounted everywhere, and these will be greater next year. There is a bill in the State Legislature to raise the salary of all teachers to \$1500.00. Another bill would give somewhat less at first but would raise all salaries one hundred dollars a year for the next six years, which would in the long run be the more expensive. In each of these bills there is a provision for an increased State School Fund for the towns in case the bill shall be adopted. In the case of the first bill

enough would be provided to bring our present salary scale up to requirements. Even with this help from the State, an increased school budget appropriation will be necessary. In consideration of this pending legislation, it would be difficult at present to estimate the amount needed for the coming year. Some development may come before the time of the town meeting so that more intelligent estimates may then be possible.

A plan of extending the teachers' salary payments over all twelve months was adopted this year. This was favored by the teachers and is in force in thousands of school systems. This plan presents some difficulties in municipal bookkeeping, and in the present year made it possible to avoid an overdrawn account. There is now due the teachers but not yet paid the sum of \$1156.50 of which almost two hundred dollars must be paid to the Retirement and pension funds at the State Department and would have been withheld even with the former 18 payment year.

While the accounts show an overdraft at present, the schools by opening early in the fall, are further along in the work of the school year than is usual at this season. Had they been running no longer than they had at this date last year, there would be a small balance and a smaller amount unpaid.

Books and supplies have been hard to procure and very high in price. Some orders have been very much delayed and it has been possible to get materials only by placing orders far in advance of the needs.

Last spring an oil burner was installed in the heating plant at the Village School. This has proven more

(Page 67)

efficient and in view of the uncertainty of the coal market would seem to have been a wise step. The appropriation for Repairs and Equipment was by this expense much reduced so that the Committee has been guarded in expenditures in order to avoid overdraw-ing this account.

The High School Tuition account shows a balance, but bills not presented when the town books were closed must be paid later. There is a bill pending in the legislature giving secondary schools the right to increase tuition charges to more nearly meet their expenses. If this is passed as seems probable, it must be considered in making this appropriation.

The Parent-Teachers Association furnished nearly all the money for a movie-sound projector for the schools. This machine cost nearly five hundred dollars and is of inestimable advantage in giving scientific and civic instruction to the pupils. It also furnishes good entertainment and makes the school more attractive.

In behalf of the pupils of Friendship, I thank this Public spirited organization for its many unselfish services.

I thank the Selectmen, Treasurer and School Committee for the cooperation given me and also thank the Citizens for their continued support.

Respectfully submitted,

F. L. S. MORSE.

Summary of School Budget

FRIENDSHIP
PUBLIC HEALTH NURSING
ANNUAL REPORT

1946

It is almost a year since your present public health nurse began work in this area, and it is now time to review the year's activities and report to you on the work accomplished.

Eighteen visits have been made to your town, and all phases of a generalized public health program covered. Most of the time has been spent in home visits, — to expectant mothers, mothers of infants, preschool and school children. Health supervision, advice and instructions in child care and improved nutrition have been given. Emphasis has been made on the preventive aspects of health, stressing early immunization. Tuberculosis control and prevention has been a part of this year's program. Two chest X-ray Clinics in Rockland, conducted by the State Bureau of Health, have made it easier for patients to have this follow-up.

Two school immunization clinics were held in the spring. One hundred and three protective doses were given by a physician against smallpox and diphtheria.

Three Child Health Conferences were conducted in the summer months. All infants and preschool children in town were invited for a physical examination by a physician and protective immunization against whooping cough, diphtheria and smallpox.

Both these special projects were made possible through the interest and cooperation of Mrs. Myrna Simmons

(Page 71)

and Mrs. Foster, who served as a Health Committee and assisted the nurse at both the school clinics and Child Health Conferences. Through them and the local Red Cross, who offered necessary funds, three children had much needed tonsil operations this fall.

The cooperation of these persons is very much appreciated by your nurse and it is hoped that with their continued help and the help of others, it may be possible to extend the health program this coming year.

Respectfully submitted,

(Mrs.) Ada W. McConnell, R. N.

State Field Nurse

Fire Department

During the year ending Jan. 1, 1947 there existed a total of thirty (30) fires.

The average attendance to each fire was nine men.

It is recommended the Fire Dept. increase its equipment with 1,000 ft. of 2½ inch Hose.

List of Equipment on Hand

TOWN OF FRIENDSHIP

Fire Engine
Portable Pump

HARTWELL L. DAVIS

Fire Chief

Town Warrant

To Archie Wallace, a constable of the Town of Friendship.

GREETING:

You are hereby required in the name of the State of Maine to warn and notify the inhabitants of the Town of Friendship, qualified by law to vote in town affairs, to assemble at Winchenpaw's Hall in said town at nine-thirty in the forenoon of the third day of March, A. D. 1947 being the first Monday and give in their votes on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To see if the town will vote to accept the Town Report.

Article 3. To choose all necessary town officers for the ensuing year.

Article 4. To see if the town will vote to raise and appropriate such sums of money as may be necessary for the support of poor, schools, repairs of roads, bridges, etc., and defray all other town charges.

Article 5. To see if the town will vote to raise and appropriate the sum of \$200.00 for the maintenance of Special Resolve Roads.

Article 6. To see if the town will vote to raise and appropriate the sum of \$145.00 for the maintenance of third class highway.

Article 7. To see if the town will vote to raise and appropriate \$100.00 for Public Health Nursing in Friendship, said sum to be expended by the State Bureau of Health, for local service.

Article 8. To see if the town will vote to allow a discount of two per cent on real estate and personal taxes paid before July 15th, and will vote to raise and appropriate the sum of \$400.00 for that purpose or what other action they will take on the same.

Article 9. To see if the town will vote to authorize the selectmen to sell and dispose of all tax titles held by the town, on such terms as they may deem advisable and to execute quit claim deeds for the same.

Article 10. To see whether or not the town will vote to raise and appropriate the sum of fifty dollars (\$50.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages, and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes of Maine.

Article 11. To see if the town will vote to authorize the selectmen to borrow temporarily in anticipation of taxes and to make and sign its promissory notes thereof.

Article 12. To see if the town will vote to raise and appropriate \$1,000.00 to pay note on snow removal equipment.

Article 13. To see if the town will vote to raise and appropriate the sum of \$60.00 for interest on notes for snow removal equipment.

Article 14. To see what sum the town will raise and appropriate for State Aid Road Construction, (in addition to the amounts regularly raised for the care of ways, highways, and bridges) under the provisions of Sections 25 and 29, Chapter 20 R.S. 1944, as amended.

Article 15. To see what the town will vote to do with the Excise Tax which amounts to \$837.56.

Article 16. To see if the town will vote to raise and appropriate the sum of \$400.00 to resurface the Davis Point Road.

Article 17. To see if the town will vote to establish and maintain a street light at the junction of Route 220 and the Forest Lake Road.

Article 18. To see if the town will vote to establish and maintain a street light on the pole between the home of George Cook and Lena Davis, so called, as petitioned by May E. Stanley and others.

Article 19. To see if the town will vote to establish and maintain three street lights in that part of the town called Lawry, lights properly and conveniently placed as selected by the selectmen, as petitioned by Charles Faulkingham and others.

Article 20. To see if the town will vote to establish and maintain a street light on the pole directly across from the residence of Lew Wallace, as petitioned by Lew Wallace and others.

Article 21. To see if the town will vote to continue to let the W. S. Carter Boatyard have the use of the C.C.C. ground with the provision that the road from the main road to the shore will not be stopped up at any time, as petitioned by Charles Sylvetser and others

Article 22. To see whether or not the town will vote to enter into a contract with Central Maine Power Company for a term of ten (10) years, whereby in consideration of the furnishing of street lighting service to the town during the term of said contract, all as more fully set forth in the contract copy of which has been presented to this meeting, the town will pay for such street lighting service in accordance with the company's Municipal Street Lighting Rate Contract Basis.

Article 23. To see what action the town will take with reference to authorizing the selectmen to execute and deliver the contract referred to in the preceding article.

Article 24. To see if the town will vote to accept the sum of five hundred dollars (\$500.00) to be held by the town in trust for the purpose of providing for the preservation and care of the Elbridge A. Wincapaw Lot in Harbor View Cemetery in Friendship, being the lot in which Elbridge A. and Albertine Wincapaw, and Edward and Amanda Thomas are buried.

Article 25. To see if the town will vote to accept the road laid out by the selectmen from the main highway at Lawry to the residence of Bedford P. Miller and will vote to raise and appropriate \$100.00 for the same, as petitioned by Bedford P. Miller and others.

Article 26. To see if the town will vote to raise and appropriate the sum of \$600.00 to dig three small reservoirs, one at William Pottle's, one at E. A. Burns' and another in A. V. Orff's field at East Friendship, and appoint a committee of three to act with the selectmen, as petitioned by Lew Wallace and others.

Article 27. To see if the town will vote to raise and appropriate the sum of \$900.00 as a special appropriation for the Finn Town Road, as petitioned by Austin Wouri and others.

Article 28. To see if the town will vote to raise and appropriate the necessary money for the purchase of 1,000 feet of two and one-half inch fire hose or what other action the town will take, as petitioned by H. L. Davis and others.

Article 29. To see if the town will vote to raise and appropriate the sum of \$500.00 to build pontoons and make repairs on the float at the wharf known as the Charles Stenger Pier, as petitioned by Kenneth Thompson and others.

Article 30. To see if the town will vote to reopen the Lawry school and raise and appropriate the sum of \$1,000.00 for repairs.

(Page 78)

Article 31. To see if the town will vote to authorize the selectmen to sell the portable radio purchased by the Civilian Defense.

Article 32. To see if the town will vote to raise and appropriate \$10.00 to decorate the graves of soldiers.

Article 33. To see if the town will vote to purchase the snow plow hired by the selectmen and now in use at Finn Town and raise and appropriate the sum of \$175.00 for the same.

Article 34. To see what the town will vote to pay for collecting Real Estate, Poll, and Personal Taxes.

Article 35. To see what the town will vote to pay for collecting Excise Tax.

The selectmen give notice that they will be in session on the day of the Town Meeting at eight thirty o'clock in the morning at Winchenpaw's Hall for the purpose of correcting the list of voters.
